## Post-Secondary Life **Terms and Questions**

Many of you might be worried that you are not in the 'know' about post-secondary terms and ideas. Never fear! That is what this class is for...As we go through some powerpoint notes you still may feel confused, this booklet is designed to help you navigate through all the information you have been given!

Please answer all the information in complete sentences and post your finished work onto myBlueprint. Please take your time with these questions, this is an on-going booklet that does not need to be completed until the end of our UNIT!
